Don't start your day with the broken pieces of yesterday. Every day is a fresh start. Each day is a new beginning. Every morning we wake up is the first day of the rest of our life.

## Jokes of the Week

**HELPING OUT**

Our High school has lots of spirit, but that didn't help the football team, who had yet to win a game. So when our principal saw some cheerleaders sitting in the stand, he asked, "Don't you think you girls should be down there cheering for your team?"

"I think," one of them said, "we should be down there playing for our team."

**A GREAT UNCLE**

The first thing I did when I heard our great granddaughter was born was to text my son. "You are a great uncle!" He texted me back immediately. "Thank you. What did I do?"
