Quote of the Day

'The best preparation for tomorrow is doing your best today.'

Thought for the Day

'Change your life today. Don't gamble on the future, act now, without delay.'

Simone de Beauvoir

Joke of the Week

1. A man went to a psychiatrist for his phobia.

"Doc," he said, "I've got trouble. Every time I get into bed, I think there's somebody under it. I get under the bed, I think there's somebody on top of it. Top, under, top, under. You gotta help me, I'm going crazy!"

"Just put yourself in my hands for two years," said the shrink, "Come to me three times a week, and I'll cure your fears."

"How much do you charge?"

"A hundred dollars per visit."

"I'll sleep on it," said the man.

Six months later the doctor met the man on the street.

"Why didn't you ever come to see me again?" asked the psychiatrist.

"For a hundred buck's a visit? A bartender cured me for ten dollars."

"Is that so! How?"

"He told me to cut the legs off the bed!"

2. A woman has twins, and gives them up for adoption. One of them goes to a family in Egypt and is named 'Amal.' The other goes to a family in Spain, they name him 'Juan'.

Years later, Juan sends a picture of himself to his mum. Upon receiving the picture, she tells her husband that she wished she also had a picture of Amal.

Her husband responds, "But they are twins. If you've seen Juan, you've seen Amal."

FROM THE CEO'S DESK - 14 NOVEMBER 2018

It has been a busy fortnight at the Shire and I hope the following provides an interesting summary of a few of the things we have been working on.

Dua minggu kebelakangan ini telah sebak untuk Shire dan saya harap berikutnya akan memberikan ringkasan tentang beberapa perkara yang kami sedang kerjakan.

NOVEMBER COUNCIL MEETING: Council's November meeting was held on West Island and Councillors were very pleased to see so many people in the gallery. Thank you to everyone for attending and for your interest in Council process.

At this meeting Council resolved to apply for funding from the Building Better Regions Fund (BBRF) for two very important and exciting projects - the Home Island Retail Centre and the Cocos CV project. I have provided a brief summary on both projects in previous editions of the Atoll but anyone wanting to know more about them is very welcome to contact me.

Council also settled on dates for the 2019 Council meetings and resolved to alternate between Home Island and West Island. These dates are advertised in this Atoll. A reminder that members of the public are very welcome to attend and observe your Council at work.

Trannies Beach was the subject of an Elected Member Motion and Council resolved to allocate funds to reinstate sandbags and tidy this much loved community area before the end of this year.

After much consideration Council highlighted the areas that they would like their CEO (me) to focus on for the coming year and formally set KPIs to ensure we move in that direction. I am more than happy to discuss these priorities with any member of the community interested in knowing what the organisational focus will be for the coming year.

MITINGAN COUNCIL DIBULAN NOVEMBER: *Mitingan Council dibulan November diadakan di Pulu Panjang dan Councillors sangat bergirang hati untuk melihat banyak orang yang hadir. Terima kasih kepada semua yang hadir dan untuk keminatan kamu dalam proses Council.*

Dimitingan ini Council memutuskan untuk memohon duit bantuan daripada Building Better Regions Fund (BBRF) untuk dua projek yang sangat penting dan menarik - Home Island Retail Centre dan projek Cocos CV. Saya telah memberikan ringkasan tentang kedua-dua projek ini di edisi The Atoll sebelumnya tetapi kalau ada yang ingin mengetahui lebih lanjut dipersilahkan untuk menghubungi saya.

Council juga menetapkan haribulan untuk mitingan Council untuk 2019 dan bersetujuan untuk berganti-ganti mengadakan mitingan di Home Island dan Pulu Panjang. Haribulan ini diadvertais di Atoll ini. Sebuah peringatan yang penduduk dari umum dipersilahkan untuk hadir dan menyaksikan Council kamu bekerja.

Trannies Beach menjadi tajuk daripada Elected Member Motion dan Council memutuskan untuk memberi ongkos untuk memperbaiki sandbags dan mengemaskan tempat masyarakat yang sangat disayang ini sebelum akhir tahun ini.

Setelah lama dipertimbangkan, Council telah menerangkan bahagian-bahagian yang mereka ingin melihat CEO (saya) untuk fokus dalam tahun datang dan meresmikan KPIs untuk memastikan yang kita bergerak ke arah ini. Saya lebih daripada girang untuk menerangkan tugas-tugas ini kepada sesiapa yang berminat untuk mengetahui fokus untuk pihak kami ditahun hadapan.

SENIOR LEADERS PRESENTATION TO COUNCIL:

Council was delighted to welcome the Cocos District High School Senior Leaders to the November Council meeting. Lihah Shakirin, Nabiya Mohd Noor, Aleeya Arkrie, Denzel Whichello, Shaqueal Boekelman and Azrul Azah were great ambassadors for their school and young people. They presented a very professional and well-thought through request for Council to consider a skatepark in Council's corporate planning process and made a very convincing case. As a result Council has agreed to consider a skatepark in its corporate plan. Congratulations Senior Leaders.

Administrator and Prime Minister discuss Christmas Island and the Cocos (Keeling) Islands in Canberra

Every few months I travel to Canberra and Perth to meet with various Ministers and Departmental representatives to provide a formal update on both Christmas Island and the Cocos (Keeling) Islands.

This latest visit was a good opportunity to introduce to key players our new Regional Investment Officer Madi Signa, a born and bred Cocos Malay. We had a very positive meeting with Prime Minister Morrison and his team to provide an update on the current status of both Territories.

The Prime Minister has been to Christmas Island before and said he was very interested in the future of both Christmas and Cocos. He said that he was pleased and very supportive of Minister Ley initiating a community consultation process into the potential issuing of a casino licence for Christmas Island.

We further discussed that work on Christmas Island's Strategic Plan has been progressing well and that it will be publically released by the end of the year. In terms of Cocos we advised that the community engagement process for the Cocos (Keeling) Islands Strategic Plan will kick off in the next few weeks.

Other high-level meetings in Canberra included the Territories Minister Sussan Ley and the Environment Minister Melissa Price where Parks and waste management on Christmas and Cocos were discussed. Minister Price indicated that she would be visiting the Indian Ocean Territories early next year. In my role as Chair of the Emergency Management Committees on Christmas and Cocos, I visited the headquarters of Emergency Management Australia and toured the Australian Government's Crisis Coordination Centre for the first time.

I also met with Dr. Steven Kennedy, Head of the Department of Infrastructure, Regional Development and Cities, which is the Commonwealth Department directly responsible for Christmas Island and the Cocos (Keeling) Islands, to discuss the future of the Indian Ocean Territories. Being aware of the importance of tourism development for Christmas and Cocos, I paid a flying visit to Sydney on my way back home to meet with the senior tourism focal point in Austrade and with John O'Sullivan, the Managing Director of Tourism Australia. Interestingly they advised that one of Tourism Australia's Top 10 social media posts of all time was a post about Christmas Island. Let's get Cocos in the top ten as well.

10 Tips for Going Plastic-Free For Beginners

Choose reusable items wherever possible - This one seems obvious, but it is easy to compromise if we do not take time to plan our movements, read labels, explore alternatives, and make intentional decisions.

It not only decreases your impact on the environment but often works out to less money spent on useless junk in the long-run.

Ditch plastic straws - Heard it before? Then why are you still using plastic straws - or takeout coffee cups for that matter? Buy some beautiful stainless-steel straws and pop them in every bag you own; and your children's backpacks.

Repurpose - Where possible, repurpose the plastic containers. Make flower pots of yogurt containers, bird feeders of plastic bottles.

Plastic education - Though plastic is still plastic in any form, there are types like Polyethylene Terephthalate (PET) which is biodegradable. These types still require chemical decomposition and emit carbon dioxide during the process.

Speak up - Be the person at the supermarket who have brought their own reusable shopping bags and has some extras in the car just in case. Say no to extra fruit plastic covers. Show off your reusable bags when you use them as beach bags, or luggage, or picnic baskets.

Get creative - It is far better to get creative about ways to avoid plastic and to seek out eco-friendly materials. These have the added benefit of disposing of themselves in non-harmful ways, saving you time and energy compared to 'responsible' plastic use.

Support local reduction and recycling initiatives - Support local recycling initiatives by recycling plastic and encouraging others to do it, too.

Support educational initiatives by being a good example of how plastic and other recycling is supposed to look in a regular home on a regular day.

*Reduce. Reuse. Recycle.
The environment is counting on it.*

Hi KAREN + PHIL

WELL COCOS IS NOW A MONTH AND MANY THOUSANDS OF MILES AWAY BUT CERTAINLY NOT FORGOTTEN. THE ISLANDS ARE CERTAINLY BEAUTIFUL AND THE WORD PARADISE GOES A LONG WAY TO DESCRIBE THEM, AND YET ITS NOT ALL I REMEMBER. THOSE MEMORIES ARE QUITE SPECIAL BUT WHAT REALLY MADE IT PARADISE FOR ME WAS THE WAY YOU BOTH AND MANY OTHER ISLANDERS RALLIED AROUND TO MAKE ME FEEL WELCOME AND COMFORTABLE.

SUCH SPONTANEOUS HELP WITHOUT ASKING HAS NEVER HAPPENED BEFORE IN ALL MY TRAVELS, OR INDEED IN MY HOME COUNTRY. I WASN'T EXPECTING IT; SUCH SIMPLY DOESN'T HAPPEN IN THE WORLD TODAY AND YET IT HAS. PLEASE THANK ALL FOR THEIR KINDNESS, YOUR NEIGHBOURS FOR THE LOAN OF REEF BOOTS AND ADVISE, ANNIESE FOR HER CAMERA, CYCLE AND BOUNCY CHARACTER, DIANA FOR THE KIT SHE LOANED AND THE MANY OTHERS WHO HELPED.

I NOW KNOW PARADISE AND WHEN ST. PETER ASKS ME THE BEST PART OF PARADISE I CAN HONESTLY ANSWER A CUP OF TEA AT A SCOUT CAMP WHEN YOU ARE STANDING WITH NOTHING AND KIT THOUSANDS OF MILES AWAY: AND CHEESECAKE WITH CREAM PLUS TWO CUPS OF TEA THE NEXT MORNING. OH HEAVEN. TEA HAS NOT TASTED SO GOOD SINCE.

PLEASE ACCEPT THESE TEABAGS AS PART (A VERY SMALL PART) PAYMENT OF WHAT I OWE.

GOD BLESS YOU ALL, HEALTH AND HAPPINESS,

Brian

Where you are injured catastrophically in a motor vehicle incident

These are short articles about legal issues that may interest you. They are not legal advice. You should always get individual legal advice for your situation.

Sometimes, a person is injured catastrophically in a motor vehicle incident. They may be the driver of a vehicle, a passenger in the vehicle, a pedestrian, or a cyclist. It may be someone else's fault, or it may not be.

Prior to 1 July 2016 it was only if it was someone else's fault (that person had been negligent in their driving) that a claim could be made against them through the Insurance Commission of WA (ICWA). If it was the fault of the person who was injured, or no-one's fault, there was no-one to make a claim against and the person injured could not receive damages for their losses.

To overcome this lack of cover, the WA State government expanded motor injury insurance under the *Motor Vehicle (Catastrophic Injuries) Act 2016* (the Act) to provide for the lifetime treatment, care and support of people who are very badly injured in a motor vehicle incident. No-one has to be at fault for an injured person to be covered. It applies to people injured in WA on or after 1 July 2016, where a motor vehicle is involved, but not on private property.

The person's injuries have to be very, very serious. It covers spinal cord injuries, traumatic brain injuries, multiple amputations, severe burns and/or permanent traumatic blindness.

If a person is eligible they are covered for medical and dental treatment, prostheses, rehabilitation, domestic help, respite care, ambulance and access to return to work programmes.

It does not cover:

- If you were involved in organised motor sports events, including practice sessions.
- Loss of earnings.
- Non-pecuniary losses (non-monetary losses, also called general damages), which is pain and suffering, loss of amenities of life, loss of enjoyment of life and shortening of your life span.
- If an unregistered vehicle was involved on a private property. Unregistered vehicles not on private property are covered by the scheme.
- Accidents involving vehicles that cannot be registered such as quad bikes, motor cross bikes, trikes and off-road vehicles.
- Accidents from acts of terrorism.

A notification of a catastrophic injury can be made online or by contacting the ICWA on +61 (8) 9264 3333. The ICWA will make a decision about eligibility and whether anyone is liable (and therefore a claim can be made against them).

You are initially accepted into the scheme as an interim participant for a period of at least 2 years. Following this, if your injuries have not stabilised, and a decision cannot be made yet as to whether you need to be a lifetime participant, the period for which you are an interim participant can be extended. Otherwise, a decision is made as to whether you can be a lifetime participant.

There is a dispute resolution mechanism to resolve disputes about your eligibility to enter/stay in the scheme and to resolve disputes about treatment, care and support decisions. The dispute resolution begins with a review in ICWA but can then proceed to an independent panel.

If you dispute a decision about eligibility, you must do so in writing within 28 days of the decision. You must request a review, stating clearly that you disagree with the decision and why and providing any supporting documents. You must also give your full name and address and contact details.

The care that you receive under the scheme includes:

- Medical treatment
- Dental treatment
- Ambulance transport
- Respite care services
- Rehabilitation
- Domestic assistance
- Aids and appliances
- Prostheses
- Educational and vocational training
- Home and transport modifications
- Attendant care services.

Your treatment, care and support must be assessed as being "necessary and reasonable." That is, it should maximise your independence, help you in daily living activities so that you can participate in the community and/or work, be value for money, be effective and have evidence backing up that it is effective, and should be provided by ICWA, rather than by other agencies that normally offer such services.

So, it will be considered whether the service is suitable, the provider is suitable, what the benefit to you is, whether it is cost-effective and what your injury needs are.

You are not covered for injuries or disabilities not related to the motor vehicle accident, nor for services that are provided by a non-approved provider of services and nor for any services that are not allowed under the Regulations under the Act. There are lists of many services that are not allowed (excluded) in the Regulations. Two examples are, domestic services exclude normal household repairs such as plumbing or painting and transport modifications exclude modifications to more than one vehicle.

Where you are injured catastrophically in a motor vehicle incident

Majalah pendek ini tentang perkara legal yang mungkin kamu berminat. Ia bukan nasihat perundangan. Kamu harus selalu mendapatkan nasihat legal untuk keadaan kamu.

Kadang-kadang, orang cedera teruk dalam kecelakaan kereta. Mereka mungkin pemandunya, penumpang, atau dibeskel. Ia mungkin kesalahan orang lain, atau mungkin tidak.

Sebelum 1 July 2016 ia hanya kalau kesalahan orang lain (yang seorang telah ceroboh dalam memandu) yang klaim boleh dibuat terhadap mereka melalui Insurance Commission of WA (ICWA). Kalau kesalahan orang yang cedera, atau tidak ada pihak yang bersalah, tidak ada orang untuk dibuat klaiman dan orang yang cedera tidak boleh menerima kerosakkan terhadap kerugian mereka.

Untuk mengatasi ini, WA state government meluaskan motor injury insurance dibawa Motor Vehicle (Catastrophic Injuries) Act 2016 (the Act) untuk memberikan rawatan, jagaan dan bantuan seumur hidup kepada orang yang cedera teruk dalam kecelakaan. Tidak ada orang yang mestinya bersalah untuk mendapatkan klaim ini. Ia tersedia kepada orang-orang yang kecelakaan di WA pada dan selepas 1 July 2016, dimana kereta yang terlibat, tetapi tidak ditempat yang dimiliki secara peribadi.

Kecederaan orang itu mesti sangat, sangat teruk. Ia meliputi kecederaan tulang belakang, kecederaan otak hingga trauma, berberapa amputation, tebakaran teruk dan/atau buta trauma yang tetap.

Kalau orang itu berhak mereka akan menerima rawatan perobatan dan dental, tangan/kaki palsu, rehabilitasi, bantuan dirumah, perawatan yang tenang, ambulance dan akses untuk program untuk kembali ke kerjaan.

Ia tidak melindungi:

- Kalau kamu terlibat dalam acara olahraga motor, termasuk sesi latihan.
- Kehilangan pendapat uang.
- Kerugian bukan keuangan (kerugian non-monetary, juga dipanggil kerosakkan biasa), iaitu kesakitan dan penderitaan, kehilangan kemudahan hidup, kehilangan kenikmatan hidup dan kekurangan kehidupan kamu.
- Kalau kereta yang tidak di rejista terlibat di tempat peribadi. Kereta yang tidak direjista ditempat peribadi dilindungi oleh scheme ini.
- Kecelakaan yang melibati kereta-kereta yang tidak boleh di rejista seperti roda empat, motorsekel motor cross, motor roda tiga dan kereta-kereta offroad.
- Kecelakaan daripada tidakkan terrorism.

Notifikasi kecederaan teruk boleh dibuat online atau dengan menghubungi ICWA dinomor +61 (8) 9264 3333. ICWA akan membuat keputusan tentang kelayakkan kamu dan adakah oleh yang bertanggungjawab (dan olehkeranaitu klaiman boleh dibuat terhadap mereka).

Kamu awalnya diterima dalam scheme ini sebagai peserta sementara untuk sekurang-kurangnya 2 tahun. Selepas ini, kalau kecederaan kamu belum stabil, dan keputusan tidak boleh dibuat jika ada kamu perlu dijadikan peserta seumur hidup, masa dimana kamu sebagai peserta sementara boleh ditangguhkan. Kalau tidak, keputusan dibuat jika kamu boleh dijadikan peserta seumur hidup.

Ada cara penyelesaian perselisihan untuk menyelesaikan perselisihan tentang kelayakkan kamu untuk memasuki/tinggal dalam scheme dan untuk menyelesaikan perselisihan tentang keputusan rawatan, jagaan dan bantuan. Penyelesaian perselisihan bermula dengan pemeriksaan ICWA tetapi boleh dilanjutkan kepada panel tersendiri.

Kalau kamu perselisihan terhadap keputusan yang dibuat tentang kelayakkan kamu, kamu mesti membuatnya dalam 28 hari daripada keputusan itu. Kamu mesti meminta pemeriksaan, menyatakan dengan terang yang kamu tidak setuju dengan keputusan itu dan kenapa dan beri sokongan daripada surat-surat. Kamu mesti memberi nama penuh kamu dan alamat dan keterangan cara hubungan kamu.

Jagaan yang kamu terima dibawa scheme ini termasuk:

- Rawatan perobatan
- Rawatan dental
- Transport oleh ambulance
- Serbis rawatan yang sopan
- Rehabilitasi
- Bantuan rumahtangga
- Pekakas bantuan dan peralatan
- Prostheses
- Trainingan Pendidikan dan vokasional
- Petukaran dalam rumah dan transport
- Serbis jagaan dari jururawat.

Rawatan, jagaan dan bantuan mesti diperiksa sebagai "perlu dan munasabah." Iaitu, ia harus melebihi kebebasan kamu, membantu kamu dalam aktiviti kehidupan harian jadi kamu boleh mengambil bahagian dalam masyarakat dan/atau kerja, menjadi berharga untuk uang, efektif dan mempunyai bukti bantuan yang efektif, dan kamu harus diberikan oleh ICWA, daripada agensi lain yang biasanya memberi serbis ini.

Jadi, ia akan dipertimbangkan adakah serbis itu sesuai, pemberinya sesuai, apa untungnya bagi kamu, adakah ia lebih efektif dalam ongkos dan apa keperluan oleh kecederaan kamu itu.

Kamu tidak dilindungi untuk kecederaan atau kecacatan yang tidak berkenaan dengan kecelakaan kereta, ataupun kepada serbis yang diberikan oleh pemberi serbis yang tidak diluluskan dan juga untuk serbis yang tidak diizinkan dibawa Perundangan menurut Act. Ada daftaran berbagai serbis yang tidak diizinkan dalam Perundangan. Dua contoh, serbis rumahtangga tidak termasuk repair rumah seperti plumbing atau mengecet dan perubahan transport tidak termasuk perubahan terhadap lebih dari satu kereta.

Captain con: romance scam leaves a WA woman in its wake

Following on from Hugo and Dave's recent 'Keeping Safe Online' presentation, here's another example of a common scam that is hitting inboxes. A fraudster is currently using stolen social media images to pose as a ship captain in a romance scam that has conned a WA woman out of more than \$10,000. Consumer Protection is warning that false identities featuring the same man's photos continue to appear on dating and social media platforms. Claiming to be called 'Captain Thomas Steve', the scammer connects with woman on Instagram and then Google Hangouts.

The WA victim, Fay, believed she was also corresponding separately with Thomas' teenage daughter, 'Sonia Steve', and sent money for 'Sonia's' birthday and school activities, followed by bank transfers totalling more than \$9,000 to receive a jewellery package that 'Thomas' claimed to have sent via a company called Westline Delivery.

This scam takes a toll both financially and emotionally. "I felt very depressed and naive. I lost my trust in people," Fay said. "He was quite convincing and it seemed like the real thing. It was a huge lesson for me and I hope others will be more cautious, especially if anyone asks for money."

The scammer's profile featured stolen images of a real Danish ship captain, who said he was frustrated by the ongoing misuse of his photos to create false identities. "Apparently mine is one of the most copied profiles on the internet. I receive a lot of messages from people who think I'm the person they've been talking to," he said.

The Westline Delivery website (westlinedelivery.com) is also fake, using false contact details and staff images taken from other businesses. Consumer Protection Commissioner David Hillyard urged consumers to be very careful online, particularly when chatting with people overseas.

"In Western Australian alone, more than \$2.6 million has been lost in dating and romance scams already this year," Mr Hillyard said. "Alongside the financial losses are the significant emotional impacts for victims of the deception, as well as people who are misrepresented online, such as the real Danish captain in this case."

Don't become isolated or secretive about an online relationship. Chat to the person by video, such as on Skype, to make sure they look like their profile picture.

Connection – or just con? Some romance scam tips:

- Be open to the idea that there are lots of scammers online.
- Do an internet search of the person's name – including words like 'romance scam'.
- Do a reverse image search of the person's profile picture using Google Images or Tin Eye to see where else it's been used.
- Don't send money. Alarm bells should ring if requests for money are made – this can happen within days, weeks or months of meeting someone online.
- Be wary if someone suggests moving the conversation to another forum, such as email.
- Don't accept Facebook friend requests from strangers.
- Be careful about the personal information or compromising material you share.
- Talk to trusted family or friends for a second opinion. Avoid becoming isolated.
- If you agree to meet someone in person, let your family and friends know where you'll be.

Captain con: penipuan percintaan meninggalkan perempuan WA dibelakangnya

Menerusi dari Hugo and Dave persembahan kebelakangan ini 'Keeping Safe Online', disini adalah satu contoh lagi tentang penipuan biasa yang memasuki inbox. Seorang penipu sedang menggunakan gambar-gambar curikkan dari social media untuk berpura-pura sebagai kapten kapal dalam penipuan percintaan yang telah menipu seorang perempuan WA melebihi \$10,000. Consumer Protection memberi amaran yang identiti palsu mengandungi gambar orang yang sama sedang terus dilihat ditempat halaman social media. Dia mengakui dipanggil sebagai 'Captain Thomas Steve', penipu ini berhubung dengan perempuan di Instagram dan lalu Google Hangouts.

Mangsa WA, Fay, percaya yang dia juga berhubungan asing dengan anak perempuan Thomas, 'Sonia Steve', dan mengirim duit untuk ulang tahun dan aktiviti sekolah 'Sonia', selanjutnya dengan bank transfer berjumlah lebih dari \$9,000 untuk mendapat pakej perhiasan yang 'Thomas' telah akui dikirim melalui kompi bernama Westline Delivery.

Penipuan ini sangat membebankan secara kewangan dan emosi. "Saya merasa sangat tertekan dan tertipu. Saya telah hilang kepercayaan kepada orang-orang," Fay menyatakan. "Dia sangat meyakinkan dan kelihatannya seperti perkara sebenarnya. Ini pelajaran yang besar untuk saya dan saya harap orang lain akan berhati-hati, lagi-lagi kalau orang meminta duit."

Profile penipu menunjukkan gambar-gambar yang dicurik daripada kapten kapal Danish yang sebenarnya, yang menyatakan dia sangat kecewa dengan salahguna gambar-gambarnya itu untuk membuat identiti palsu. "Rupa-rupanya profile saya adalah salahsatu yang paling di tiru di internet. Saya menerima banyak pesanan dari orang-orang yang ingat saya adalah orang yang mereka telah hubungi." dia bilang.

Website Westline Delivery (westlinedelivery.com) juga palsu, menggunakan keterangan hubungan palsu dan gambar-gambar pekerja yang dicurik daripada bisnis-bisnis lain. Consumer Protection Commissioner David Hillyard menasihati konsumers untuk berhati-hati online, lagi-lagi kalau sedang chatting dengan orang-orang diluar negeri.

"Di Western Australian sendiri, lebih dari \$2.6 juta telah hilang dalam penipuan dating dan percintaan pada tahun ini sahaja," Mr Hillyard bilang. "Disamping kerugian duit adalah masalah emosi untuk mangsa terhadap tipuan ini, dan juga orang-orang yang salah digunakan online, seperti kapten kapal Danish yang sebenarnya dalam kes ini."

Jangan menjadi asing atau tersembunyi dengan perhubungan online. Bicara dengan orang itu melalui video, seperti Skype, untuk pastikan yang rupa mereka sama dengan gambar profile mereka.

Perhubungan – atau hanya tipuan? Berberapa nasihat terhadap penipuan percintaan:

- Fahami dalam diri mengenai idea yang banyak penipu online.
- Buat periksaan di internet dengan nama orang itu - masukkan perkataan seperti 'romance scam'.
- Buat 'reverse search' terhadap profile itu menggunakan Google Images atau Tin Eye untuk melihat dimana lagi yang profile itu digunakan.
- Jangan kirim duit. Lonceng 'alarm' harus berbunyi jika permintaan untuk duit dibuat – ini boleh berlaku dalam berapa hari, minggu atau bulanan semenjak berjumpa orang online.
- Berhati-hati kalau seorang mengajak pindah ke halaman chat lain, seperti email.
- Jangan menerima 'Facebook friend requests' daripada orang yang kamu tidak kenal.
- Berhati-hati tentang keterangan peribadi kamu atau alat-alat peribadi yang kamu 'share'.
- Bicara dengan keluarga yang dipercayai atau teman untuk mendapatkan pendapat mereka. Hindarkan daripada bersendirian.
- Kalau kamu bersetuju untuk bertemu dengan seorang, beritahu keluarga dan teman kamu dimana kamu akan berada.
