3. You will be redirected to the login page
4. Enter the access code shown on your voucher
5. Accept the Terms of Service and click Login

Helpful Tips

To help conserve bandwidth and improve your browsing experience, we recommend:

- Enabling Low Data Mode on your device
- Disabling automatic software updates, app updates, cloud backups, and iCloud syncing while on Cocos

WiFi Calling

WiFi Calling may allow you to make and receive calls using your mainland mobile number while connected to WiFi. Availability depends on your mobile provider and network conditions and cannot be guaranteed.
If you experience issues with WiFi Calling, try turning the feature off and then back on again.
Important Information
Internet services on Cocos are delivered via satellite. During periods of heavy cloud cover or adverse weather, the service may slow down or become temporarily unavailable.

The WiFi service is provided on an "as is" basis without warranties of any kind, either express or implied. The CRC is unable to monitor individual usage, provide technical support for personal devices, or offer refunds for service interruptions, performance issues, or unused access time.

The Australian Government, through the Department of Infrastructure, Transport, Regional Development and Communications Territories Division, provides funding to Cocos (Keeling) Islands Community Resource Centre to provide services to the Indian Ocean Territories
